Drivers' Education is one of the most popular courses offered at NHS. Almost 300 students have benefited from instruction in safe driving and spend up to 32 hours in the classroom, three weeks of simulator instruction and from three to six hours of actual highway driving.

Classes are set up (1) according to the age of each student and (2) whether or not the student has a study hall. If the older students do not have a study hall, they are put into classes before or after school.

Summer classes are also offered.

From Rags . . .

To Riches

1971 has been a rewarding year for the band. This is the year they received their first marching and concert uniforms. The uniforms boosted their moral to the pinnacle of explosion. They traveled to the Bell Marching Contest in October returning with a first division rating. Tears poured, for they worked through three months of long rehearsals to get into condition for the contest. The next and last contest for the season was U.I.L. at Franklin Field in Dallas. They again brought back to Nimitz a first division rating. They participated in the New Year's Day celebration along with their "country cousins" bands. They performed during the pregame and half time festivities. They worked hard this year to establish the Viking Band as a high ranking musical organization.

The 1970-71 Nimitz Viking Cheerleaders

Sponsor - CARLA SANBORN

The 1971 Viking Cheerleaders have worked hard this year in building up the spirit of N. H. S., since this is the first year for Nimitz to be in 7-AAAA competition. Their one main goal was helping Nimitz strive to be No. 1. Their sponsor, Carla Sanborn, deserves much of the credit towards making this year a success. She has been the N. H. S. cheerleader sponsor for the past three years. In her busy schedule, she has devoted much of her time to the student body as a Junior Class sponsor, as well as a sponsor for the cheerleaders. No one could have done a better job than she in making this year one to remember.

Happiness is the fun of being together.

"Our Leader."

Adamson Topples Nimitz in First AAAA Competition

ROBERT HURTADO

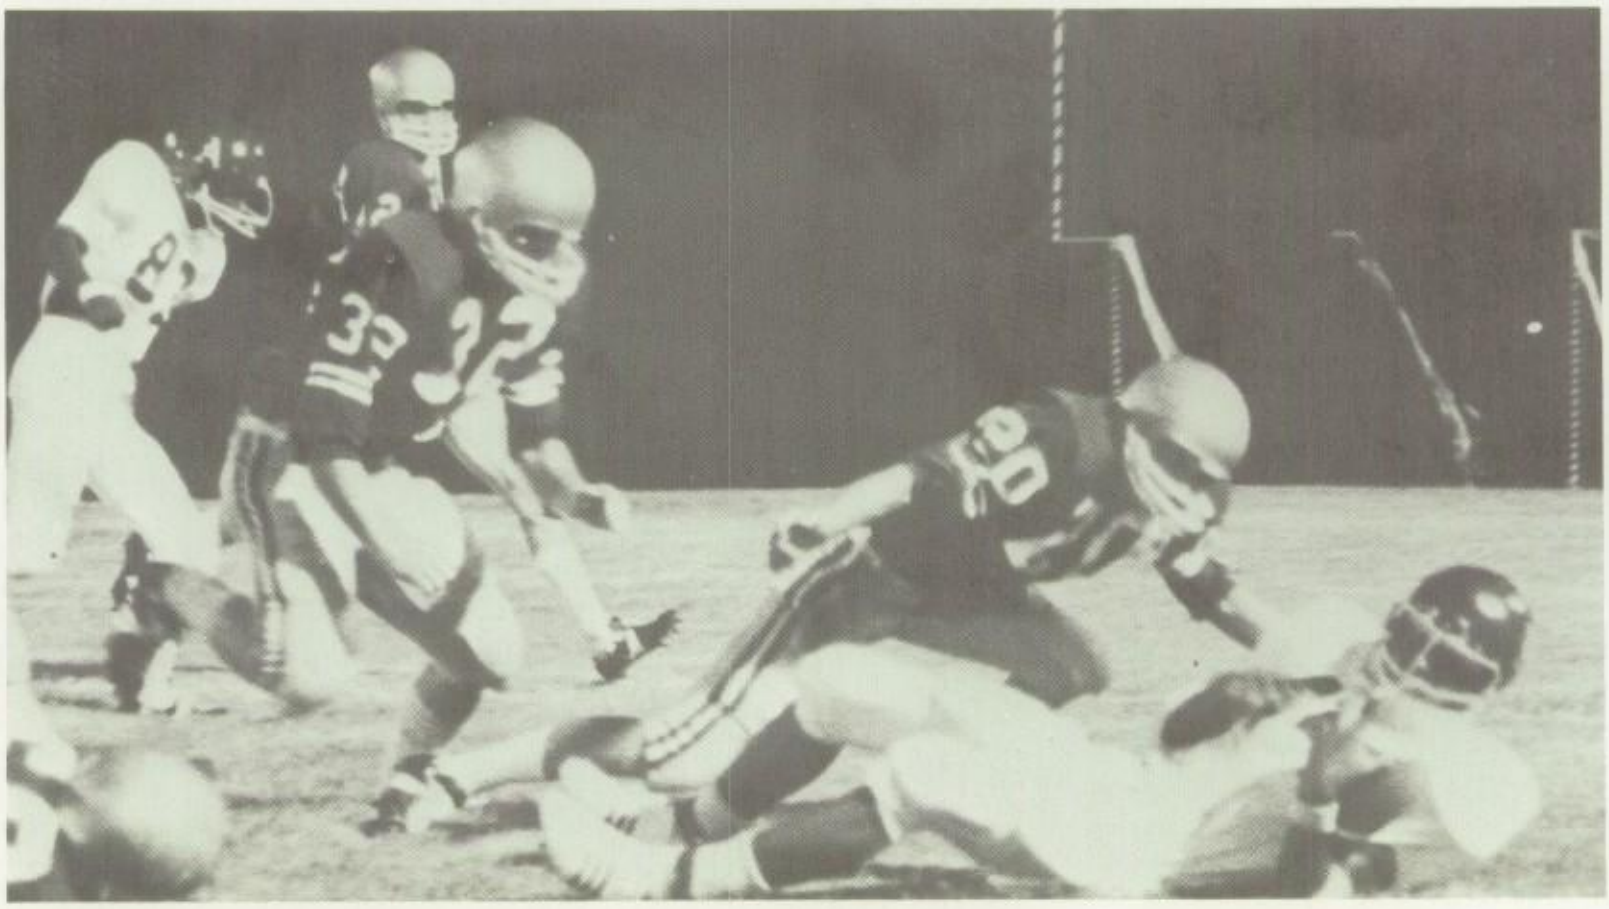
The first AAAA game for the Nimitz Vikings ended in a 14-6 defeat. Twenty-four strong, the junior and sophomore Vikings took on the more experienced and predominantly senior team of Adamson High.

The Vikings threatened early with a 64 yard drive to the 2 yard line, 51 yards of which were Gene Burton aerials to Donnie Watson, Terry Harris, and David Robinson. The Leopards took over on their 2 yard and drove 98 yards in 12 plays to score. The first half ended 7-0 Adamson.

Robert Hurtado brought the Vikings back to life by intercepting a Leopard pass and returning it 31 yards to the Adamson 49. It took the Viking offense ten plays to drive to the Adamson 5, where David Robinson scored to make the score 7-6. The Vikings two point conversion was halted by the Leopards.

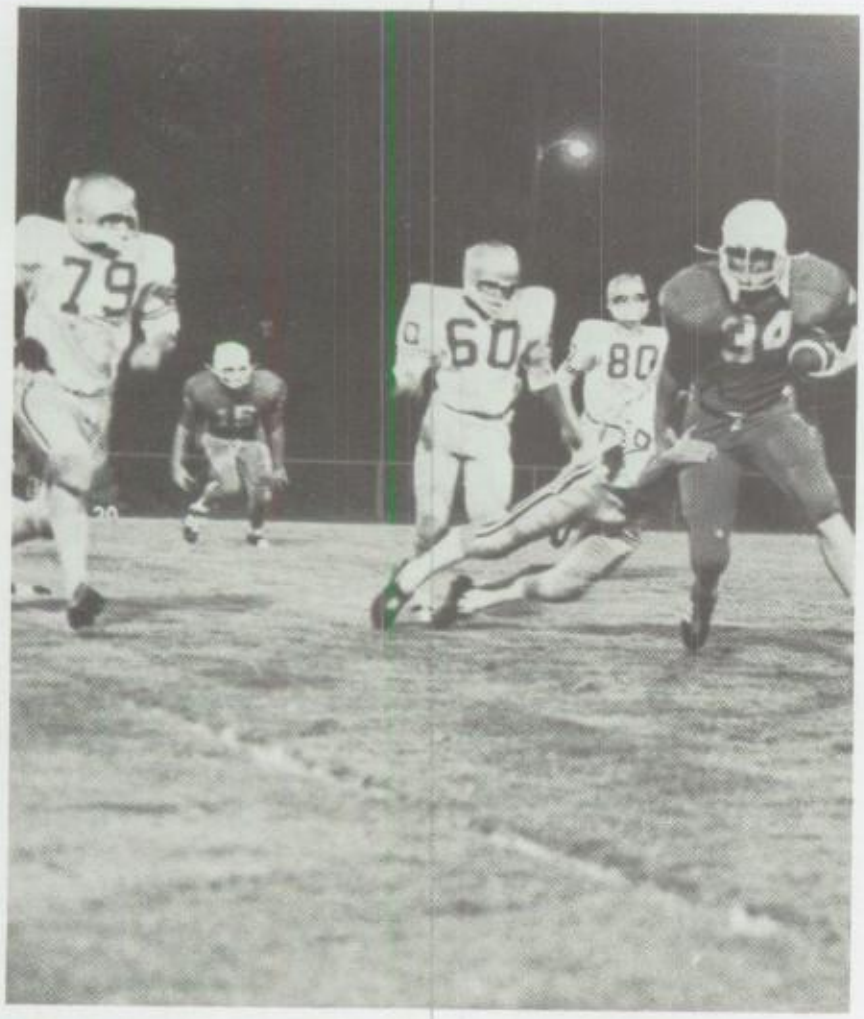
Both teams had to give up the ball on punts because of strong defensive stands. The Vikings fumbled and Adamson recovered it. Seven plays later the Leopards scored and added the extra point to make the final tally 14-6. Even though the Vikings lost the game they gained something that would help in the weeks to come, experience in AAAA football.

The Viking that received the least amount of credit for undoubtedly the best defensive play was Robert Hurtado.



Nimitz Falls to Henderson Lions

JEFF ZIMMERMAN

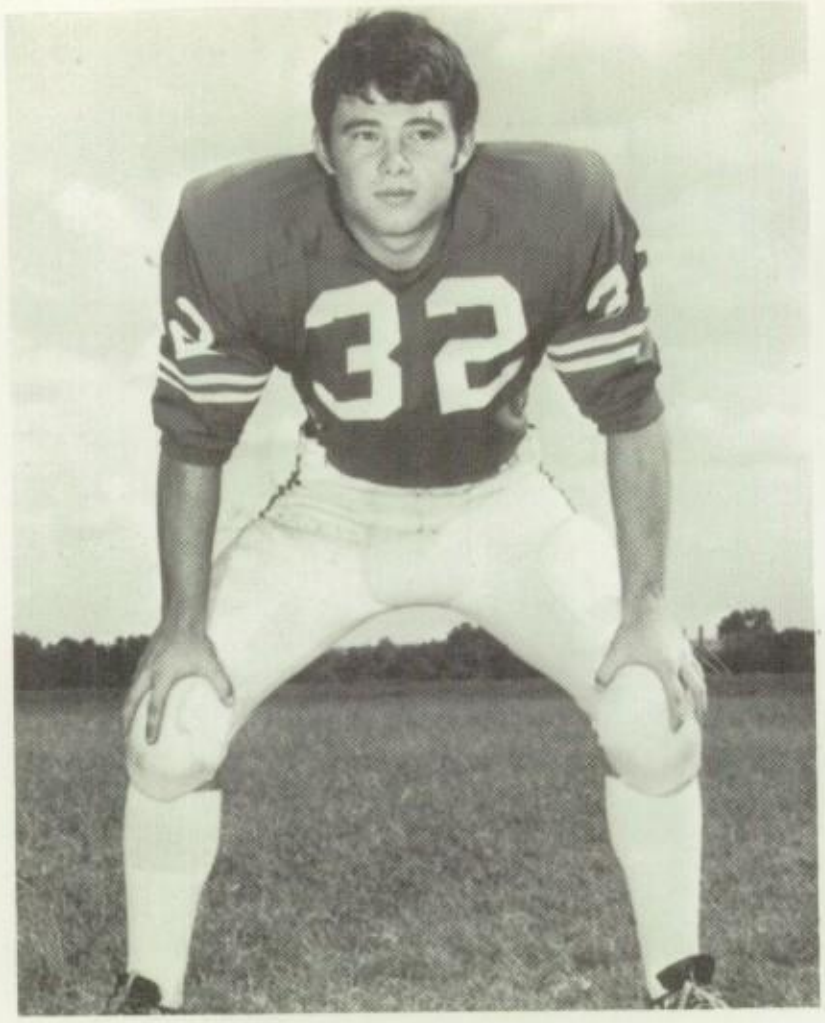


Long runs and long pass completions by the Henderson Lions killed the Vikings as the Nimitz defense couldn't stop the Lions or get the ball for the offense.

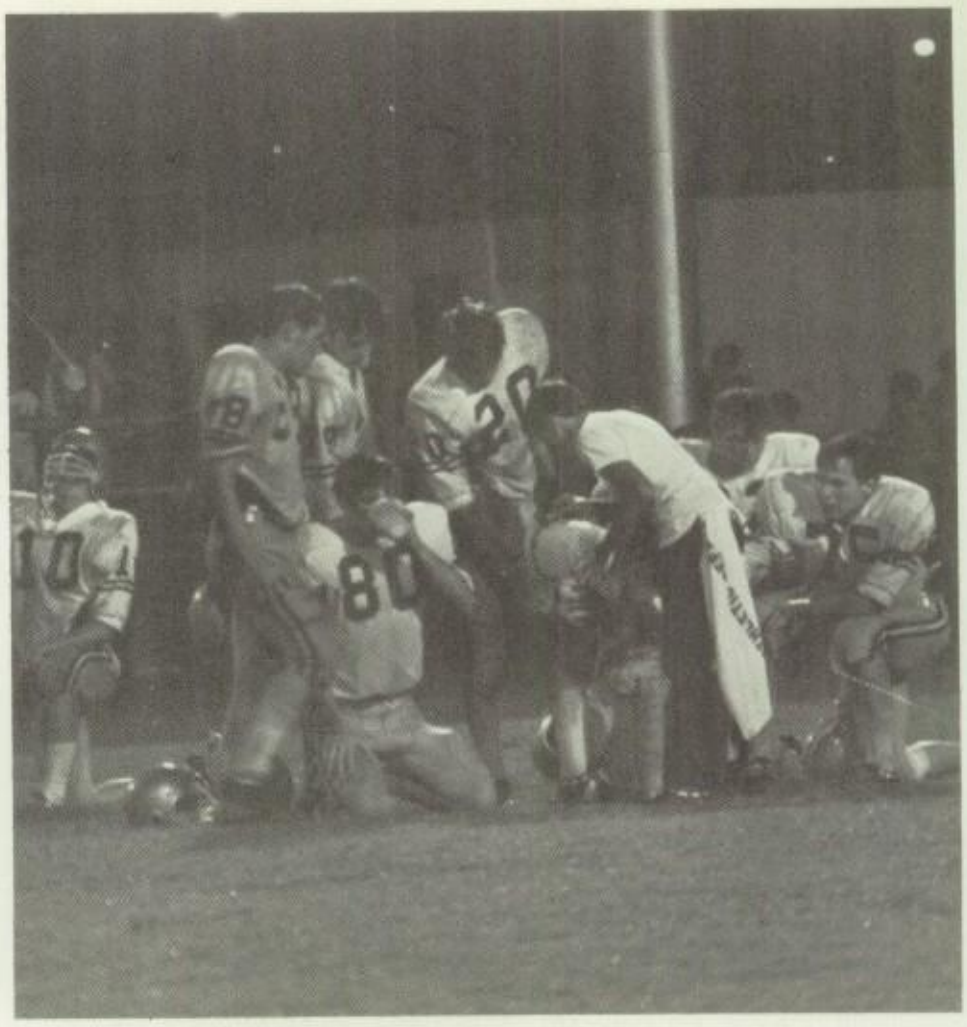
When the offense did have the ball they couldn't get rolling.. The half was completely dominated by Henderson as the Lions scored 4 touchdowns in the first 24 minutes of play, and led 27-0 at halftime.

Henderson came back to score 3 times in the second half while the Vikings managed to score on a blocked punt recovery and a 7 yard run by Jeff Zimmerman. Jeff, the Valhalla's weekly Award winner for the most valuable player, rushed for 56 yards on 20 carries and 1 touchdown.

FAR LEFT: Robert Holiday (20) and Ronnie Gaither (32) put finishing touches on Adamson halfback. ABOVE RIGHT: Viking defense stop potent Lion offense for no gain. ABOVE: Tim Haley (50) dives to make tackle on Henderson fullback as Viking defense converges.



RONNIE GAITHER



Skeeters Rally to Down Vikings

Nimitz's third game of the season was a close one in which the Skeeters of Mesquite downed the young Vikings 14-7. The Vikings jumped off to a quick 7-0 lead as they took the opening kickoff and drove 67 yards for the score. Gene Burton, Ronnie Gaither, and Jeff Zimmerman banged their way through, over, and around the Skeeter defense to the nine yard line. From there, David Robinson took a pitch around left end to the end zone for six points. Donnie Watson added the extra point to bring the score to 7-0.

The Vikings had good field position in Skeeter territory the rest of the half, but couldn't generate any offense. Penalties halted Nimitz's drives in the second quarter. The Skeeters started moving the ball in this stanza and with 5:54 left in the first half, they scored. The PAT was good and the score was knotted at 7-7 at the end of the half.

After an exchange of punts in the third quarter, Mesquite took the ball and bulled their way 59 yards for the go-ahead score. The Vikings came out after the score with a full head of steam. Zimmerman and Burton rambled down to the Skeeter 8 yard line where it became fourth and three yards to go. Robinson got the call but he was dropped on the six, one yard shy of the first down.

In the fourth quarter, the two teams exchanged punts and turnovers and neither team could score. The final score read 14-7, Mesquite, for Nimitz's third loss in as many games. Ronnie Gaither received the unsung hero award for busting his way through the Skeeter defense all night. He helped in setting up the first Viking score by ramming the ball to the nine yard line. He also helped in controlling the Mesquite offense, while playing defense.

Vikings Outclassed by Colts

The Arlington Colts stomped the young Vikings 42-13 by using their superior strength and depth. The Colts with two long drives led 14-0 at the end of the first half. The Colts scored on a 1-yard plunge in the third period and exploded for 21 points in the last quarter for a total of 42 points.

Quarterback Randy Little hit David Robinson on a 59-yard pass and run play for a touchdown, and Dennis Haley scored the last Nimitz touchdown on a 1 yard gallop through the Arlington defense.

Gene Burton receives the weekly award for the most valuable player for hitting 15 out of 19 passes and driving the Nimitz offense deep into Arlington territory.

Cardinals Nip Vikings . . .

Nimitz opened their 7-AAAA schedule with a hard fought 15-12 defeat at the hands of cross-town school, MacArthur Cardinals. MacArthur jumped off to a quick 15-0 lead before they had to hold off the Viking desperation surge. The first half belonged to the Cardinals, but in the second half the Vikings took over and showed that they weren't ready to lay down and quit.

The half time score was 9-0 in favor of MacArthur. The Cardinals scored on a one yard plunge up the middle, but the extra point attempt was missed to lead 6-0. With seven seconds left in the first half MacArthur kicked a 30 yard field goal to take a 9-0 lead into the dressing room at half time.

MacArthur opened the second half by driving 47 yards after a Viking onside kick attempt failed. The Vikings took the ensuing kick-off and drove the ball to the MacArthur 4-yard line. Twice, sophomore tailback, Dennis Haley, rammed the line and the second try went in for the score. Viking head coach Wayne Bingham decided to go for two points, but the attempt failed with quarterback Gene Burton being hauled down short of the goal line. Early in the fourth quarter the Vikings took over on their own 19-yard line and drove 45 yards, where the drive was capped off by a 36 yard touchdown pass from Burton to Robinson. Again the try for two points failed and the Vikings were still behind by a score of 15-12. The remainder of the game was characterized by punts and turnovers by both teams. With only sixteen seconds left in the game, quarterback Gene Burton dropped back to pass. But being boxed in, he headed up the field, ran into an official, and went down as the final whistle was blown.

Dennis Haley received the weekly award by scoring the first Viking touchdown in 7-AAAA action. He also showed that he could rise to the occasion on the spur of the moment as he took over for injured tailback, Jeff Zimmerman.

Trinity Trips the Vikings

The Vikings, led by David Robinson and Randy Little, almost won their first game of the year against the Trojans from Trinity. The fourth quarter became the downfall for Nimitz as they had a 7-6 lead going into the final stanza. In the fourth quarter however, the Trojans pulled the game out by the score of 22-13. This was Nimitz's sixth loss of the season.

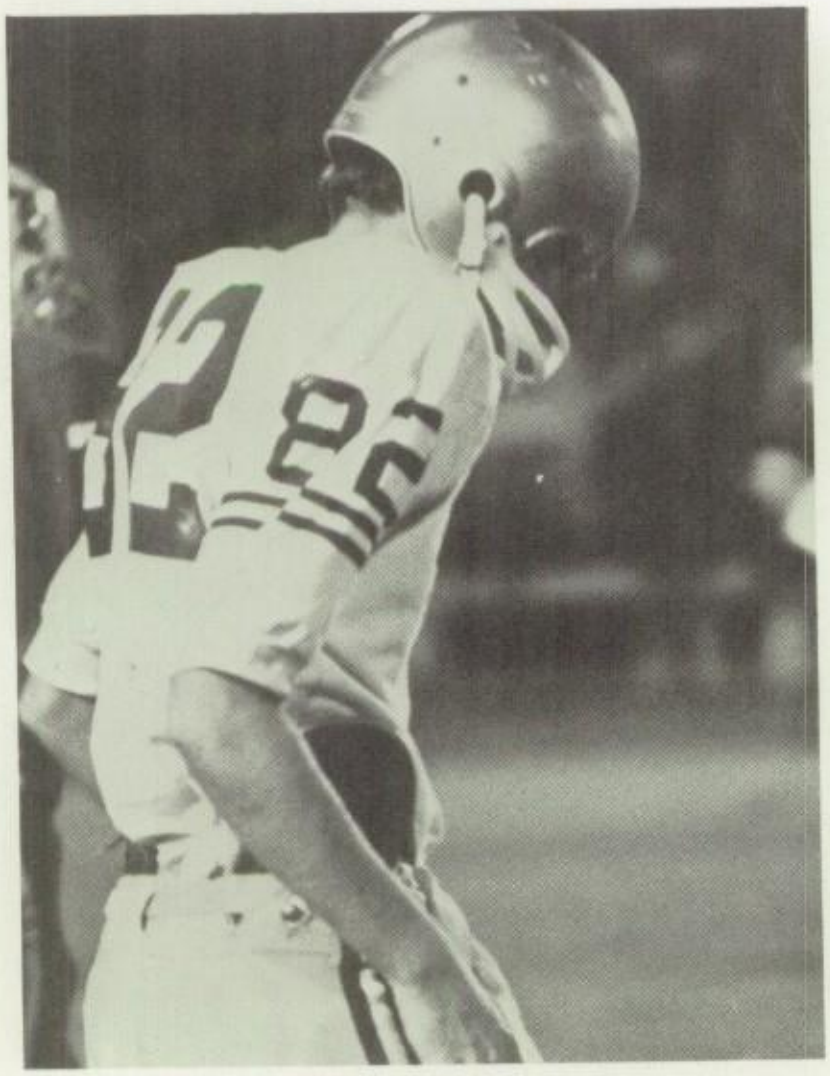
The Vikings took the opening kickoff for the initial score. Only three minutes had gone by when David Robinson was on the receiving end of a Randy Little pass that covered 73 yards. The PAT by Donnie Watson was true and Nimitz had a 7-0 lead over the favored Trinity Trojans.

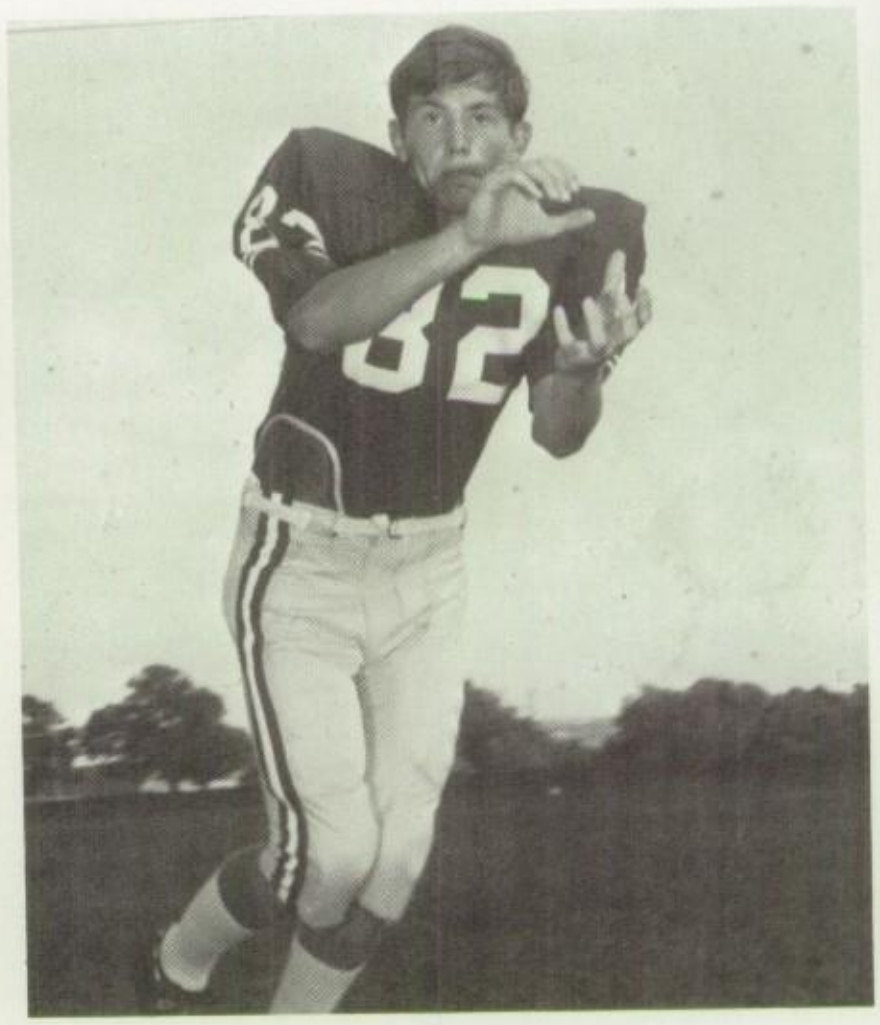
Nimitz was in Trojan territory all evening but failed to get the ball into the end zone. Turnovers killed Viking drives just when they would get something started. At the end of the first quarter, Nimitz had a 7-0 lead.

The lead stood through most of the second quarter until Little had a pass interecpted. Trinity took it from their 42 yard line to the Nimitz end zone for a touchdown. The PAT was missed and the Vikings took a 7-6 lead into the dressing room at half time.

The third period ended 7-6, but in the fourth period both teams came alive. Trinity scored twice before the Vikings got on the scoreboard again. They ran over from the one and three yard lines for their scores. After both of their touchdowns they went for two points and converted on both of them. This made the score 22-7 in favor of Trinity. With 1:23 left in the game, Little fired a 13 yard pass to Robinson who took it for the Viking's final score. The pass to Robinson for the two extra points was overthrown by Little and the final was Trinity 22, Nimitz 13.

Randy Little, who started at quarterback for the first time, completed nine of nineteen passes for 182 yards and two touchdowns to receive the weekly award as the outstanding player. He kept the Trojans on their toes all night with a balanced attack of running and passing.



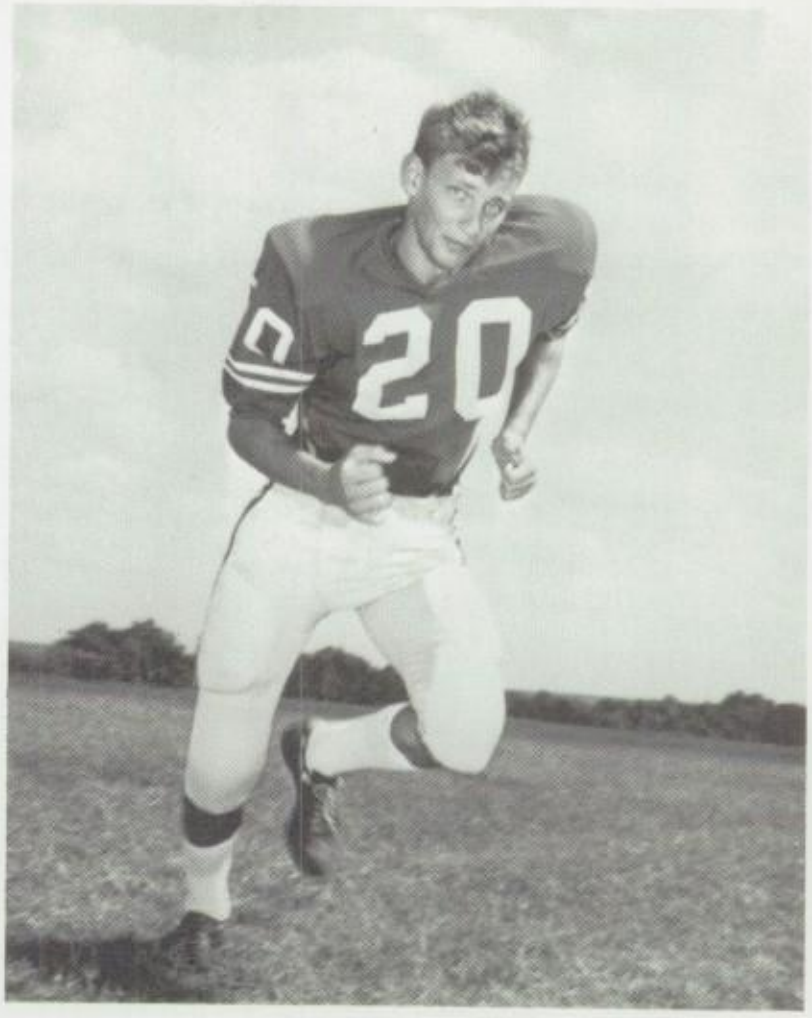


RANDY LITTLE

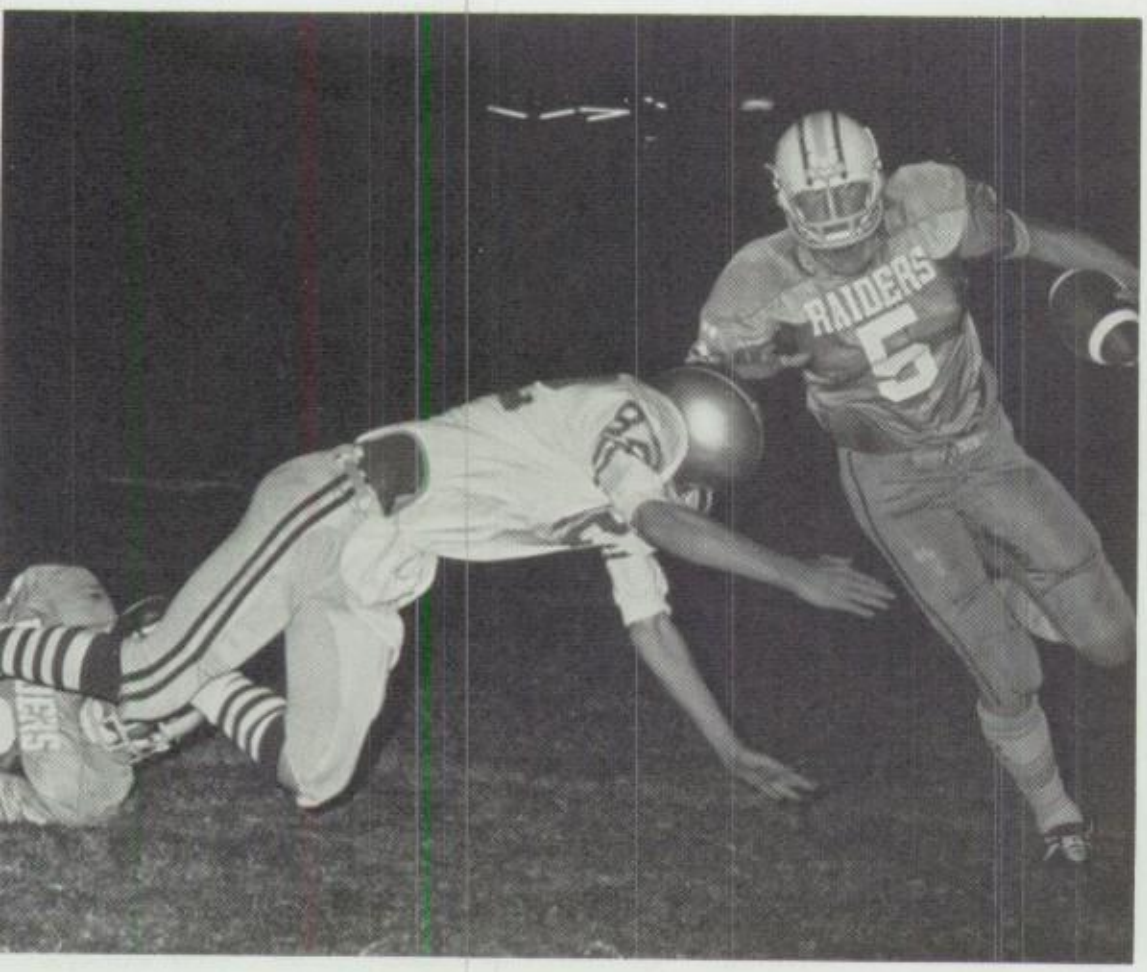
Vikings Stunned by Blue Raiders

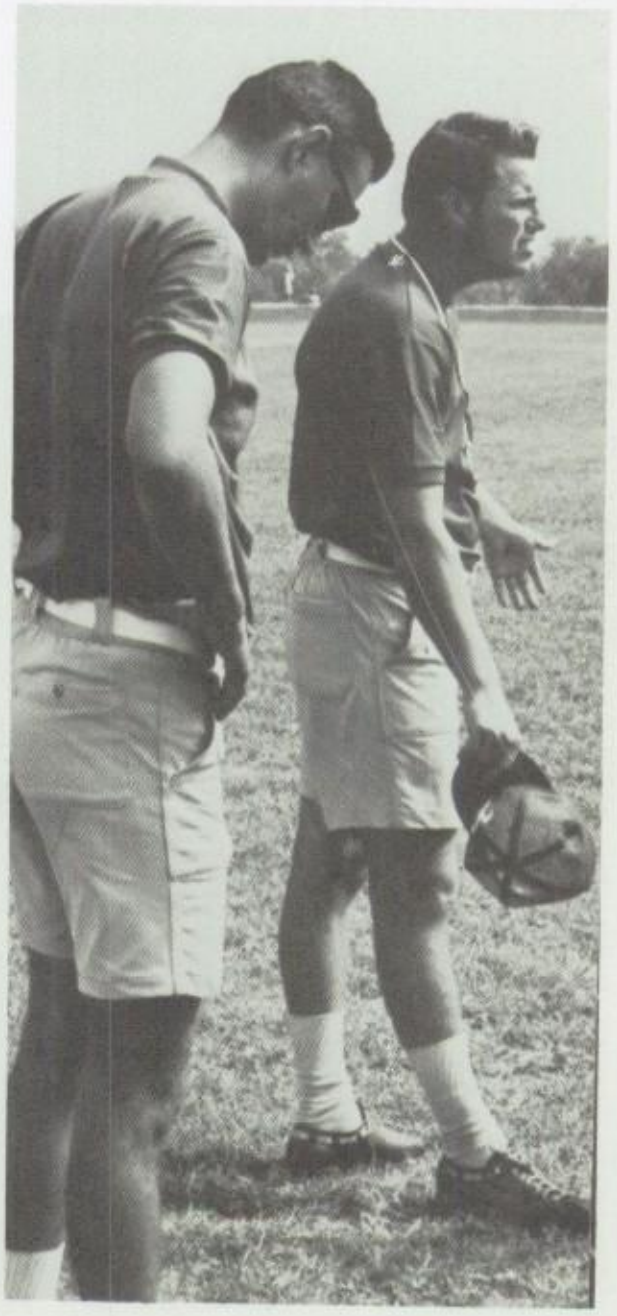
The tremendous running of the L. D. Bell offense and the stiff Blue Raider defense proved to be too much for the outmanned and outclassed Nimitz Vikings. The only Nimitz score came early in the fourth quarter after Viking linebacker, Ronnie Gaither, recovered a Raider fumble at the L. D. Bell 34 yard line. On the next play, quarterback Randy Little hit halfback Robert Holiday at the two yard line and Holiday dragged his defender into the end zone for the score. Donnie Watson added the extra point.

The Blue Raiders scored the first five times they possessed the ball. They marched a total of 595 yards for 10 touchdowns, five extra points, and one two point conversion. The Vikings had a total of 10 first downs, 13 yards rushing, 57 passing. The Vikings had one outstanding player come through when the going got tougn. Robert Holiday was accredited with 51 yards on two receptions and one touchdown.



ROBERT HOLIDAY





Vikings Upset Tigers in Big . . .

The Nimitz Vikings played with pride and determination as they upset the Irving Tigers in an inter-city rivalry. This game will probably stand out as one the "sweetest" victories in Viking history as they beat an old established high school the first time they played them. The Vikings scored first on a dropped punt by the Tigers on their own 30 yard line. Alan Berry caused the fumble by colliding with the Tiger player just as he caught the ball. The fumble was recovered by Dennis McBride and it took the Vikings only four plays to score. On a fourth and five situation from the Tiger 25, David Robinson ran a double reverse around left end for the score.

The Tigers came out in the second half ready to play ball. On their first play from scrimmage they went 40 yards to the end zone for six points. The two point conversion failed and Nimitz had a 7-6 lead. With 30 seconds left in the third quarter Ronnie Gaither intercepted a Tiger pass and ran 42 yards for the touchdown. The score was 14-6 after the PAT. The game was a battle of defense until late in the fourth quarter when Irving scored from five yards out on a fourth and two situation. The Tigers tried for two points again and made it. Both teams were offsides though, and the play had to be run over. This time the Tigers were stopped short of the end zone by the Viking defense for the deciding score.

Donnie Watson kicked two all important extra points as they were the deciding points of the contest. The team, including coaches, active players and injured players received the award this week for the guts and pride that they showed throughout the game. The fans also can be complimented for their outstanding support and spirit that they showed not only in this game but previous games this year.

Tim Haley was awarded the ball as the game was dedicated in his honor.

Vikings Come Up Short in Fall Valhalla

The Nimitz Vikings played the Texans from Arlington Sam Houston but came up short, 33-20, in the first annual Fall Valhalla game. The Texans jumped off to a quick 21-0 lead but the Vikings fought back to within 7-points.

Turnovers played a major role in the game as Sam Houston scored twice on Viking errors while the Vikings scored once on the Texans. Their coming touchdown was a 9-yard pass from Randy Little to Donnie Watson. This was set up by a 35-yard double reverse by David Robinson, making the score 21-7 at halftime. In the third quarter the Vikings cut the lead to seven points when Neil Hightower scored from five yards out.

After the Texans scored twice in the fourth quarter, Nimitz's final score came as Randy Little scored from the one yard line with 23 seconds in the game.

David Robinson played his best game of the season by carrying the ball 23 times for 218 yards. He also had one reception for 27 yards and three punts for an average of 35.5 yards.

Vikings Defeated in Mud Bowl

The Grand Prairie Gophers defeated the Vikings in Nimitz's final game in their first year of AAAA competition. The game was marred by turnovers by both teams. The Vikings committed three while the Gophers committed four. The only offensive threat that the Vikings had in the first half was when sophomore tailback, Ronnie Gaither, ran over right tackle and rambled 41 yards into Gopher territory. A fumble on the next play ended the Viking threat.

The score at the end of the first half was 21-0 in favor of the Gophers. In the first half, Rusty McClelland came with an interception that halted a Gopher scoring threat at the Nimitz 20. This was the first of his two big plays that stopped Grand Prairie on scoring drives.

In the second half, the Viking defense stiffened and only allowed the Gophers to score one time. The PAT was missed and the score was 27-0. Nimitz had two scoring opportunities in the second half as they drove to the Gopher 31 and 12 yard lines. The Vikings used all four downs in trying to keep both drives alive but both times they came up shy of a first down. The game ended as Randy Little was thrown for a loss trying to get the Vikings on the scoreboard with a desperation pass from the Gopher 12 yard line.

Rusty McClelland who intercepted a pass and also pounced on a fumble was accredited with the player of the week award.

To The Faculty and Students
of Nimitz High School

The job of putting together a book such as you have just finished should be the product of enjoyment for both staff and student body. Such is not always the case. The advisors job is not an easy one - sorting out what can and cannot be used, sifting ideas, weighing reaction and criticism, handling controversial incidents, soothing students and faculty alike - all this plus having to face facts which are as unreal as a Martian landing, bear this out.

This yearbook reflects many hours of hard work by a few people - who shall go unnamed here - and many who will get the acclaim without much participation. Let it be said - you can't always tell a book by its cover and you can not thoroughly understand what goes into it until you've tried it.

The Valhalla records the school year for posterity and with it a fine job by a single person - your editor, Jerri Butcher.
